

TWO CASES OF POLIO REPORTED IN ROACHDALE

B. B. HUTCHINS AND LILY BRITTON IN INDIANAPOLIS HOSPITALS

Hutchins, 20, former male high school basketball star and senior in Wabash and Lily Britton, 7, also of Roachdale, were admitted to Indianapolis hospitals for poliomyelitis. Hutchins is the youngest son of Mrs. Eugene Hutchins, who is Putnam county agent of schools. The girl is the daughter of Mrs. Ray Britton. Hutchins' condition was listed as "satisfactory" by officials at the Long hospital Sunday. Britton was described as "satisfactory" at the Riley hospital. Hutchins became ill about three weeks ago according to their parents at Roachdale.

INDIANAPOLIS, Aug. 15.—Indiana's polio case toll stood at 424 with 44 reported to the State Department of Health.

Dr. W. C. Anderson of the state's bureau of preventive medicine said the dread disease apparently was declining in Indiana after an outbreak which peaked up to 20 or more cases per day during late July and early August.

Only seven new polio cases and no deaths were reported to the State Board yesterday, after 12 cases and one death were reported Saturday. There were only six cases on Friday.

The Saturday death was that of Madeline Sutton, 23, Russia-born, at Robert Long Hospital at Indianapolis. She died less than 24 hours after she was admitted. Miss Sutton's death was the second in Howard County's 18 cases.

McKibbin County Saturday became the 58th Hoosier county to report a polio case.

Meanwhile, "polio prevention" week opened today in Terre Haute. Only three cases and one death have been reported from that county since the outbreak began. But Mayor Ralph Tucker said action was better than talk.

"There is something more to fighting polio than worrying and waiting," said Tucker in a proclamation. "As mayor of this city, I deem it essential to do more than discuss it."

Tucker said amusement places, dining taverns, fraternal and club houses would be closed today and stores would close early on that day.

Employment of new policemen. New members of the police force were sworn Monday by the Board of Police.

New officers are Harry E. McLean, 24, and William D. McLean, 25. They will fill vacancies created when Harry Vaughn and Lyman McLean join the Indiana state police force September 1.

Russell Coleman was appointed assistant chief, the post formerly held by Officer Vaughn.

Mr. McClain is a graduate of the Advance high school and attended DePauw University two years. He has been connected with Horace Link & Company.

Mr. Templeman is a graduate of the local high school. Both are married and both are World War II veterans.

REGIME FALLS

President Husni Zaim, who took over the government of Syria in a bloodless coup four and a half months ago, has been deposed, tried as a tyrant for "abuse of authority" and executed. Col. Sami Hinnawi, commander of the First Syrian Army column, headed the coup d'etat which ended Zaim's regime. Premier Mohsen Barazi also was arrested and executed. (International)

NEW TEACHERS ANNOUNCED BY SUPT. LEE ZIEG

Two additional teachers have been elected to fill vacancies in the city school, Lee O. Zieg, superintendent announced today.

Miss Martine Douthitt has been elected to act as art supervisor. She received her M. S. degree from Indiana in 1949 and prior to that served 13 years as superintendent of art at the Owensboro, Ky., schools. In 1948 she taught in Georgetown College and comes here highly recommended.

Howard Sharp of Lafayette, a graduate of Purdue University with the class of 1940, has been elected to the Physical Education and Social Studies department in the high school. He will succeed Mrs. Elmer Stratton who has tendered her resignation, effective with the close of the past school year.

GAR Will Hold Final Session

LONG BEACH, Cal. Aug. 15.—(UP)—Peppery 102-year-old Charles L. Chappel fervently hoped today that he would be named the National Commander-in-Chief of the Grand Army of the Republic even if he serves for only a few minutes before the GOR disbands forever this year.

Now senior vice-commander, Chappel normally would be promoted to succeed commander Theodore Penland, 100, of Portland, Ore., when the few remaining boys in blue gather for their 83rd and final encampment at Indianapolis on Aug. 28.

But because the GAR is making its last meeting, Chappel fears there will be no election.

"Penland wants to be the last commander-in-chief; he won't give up the office," Chappel said mournfully.

"I sure would like to be commander the last 15 minutes of my life."

Only five of the 17 surviving members of the GAR plan to attend this year's final encampment.

They constitute perhaps the most famous "last man club" in the world.

Chappel vowed he was "going to the encampment or bust in the attempt" despite the fact that he recently spent several days in the navy hospital here after fainting in his yard.

He denied that he fell from a peach tree while picking fruit. "I didn't even climb the tree," he snorted. "It was hot and I must have fainted while rolling up the garden hose."

OHIO GUARD TRAINS CAMP ATTERBURY, Ind., Aug. 15(UP)—The 37th Infantry Division, Ohio National Guard, began its annual 15-day summer maneuvers here today.

Advance echelons of the Buckeye Division arrived Saturday on Wednesday afternoon, August 17th, at 1:00 P. M. CST at the cemetery. Bring your own tools.

COUNTY FAIR PROVED MOST SUCCESSFUL

LARGE CROWDS ATTENDED FINAL EVENTS ON SATURDAY

The Putnam County 4-H Fair closed Saturday afternoon after the most successful week the organization has ever held. Due to polio threats, some of the evening crowds were not as large as they might otherwise have been, but the displays of livestock, farm produce, flowers, poultry and everything that goes to make a fair were bigger and better than ever.

The closing event was the horse pulling contests and a thousand or two people watched these events Saturday morning. In the midst of the pulling contest, a pony show was staged and more ponies were exhibited than anyone knew existed in the country. The Staley farms from Cloverdale had a fine display and carried off several blue ribbons.

Several children had their ponies in the show and many of them won prizes. Some were about as big as small dog, and were fine at doing a lot of things for the amusement of the big crowd.

The pony show and the pulling contests were fine events for the close of the fair.

Four Youngsters Drown In Lake

ANGOLA, Ind., Aug. 15.—(UP)—The bodies of four young children were sought today in Clear Lake where they drowned when a high wave upset their outboard motorboat.

The children, members of two families, were out in the boat with their fathers yesterday when the wave struck the craft and swamped it.

The victims were Victor Breamer, 8, his sisters Bernice, 6 and Carol, 4; and Alice Jean Haug, 7. Their parents were Mr. and Mrs. Orville Breamer of Monroeville, Ind., and Mr. and Mrs. Reinhart Haug of Hoagland, Ind.

Nearly boats rushed to the aid of the overturned boat but the four children had slipped under the surface by the time they arrived.

Breamer, Haug and the latter's five-year-old daughter, DeLores, were saved.

Clear Lake, located in North-eastern Indiana, is about 100 feet deep where the tragedy occurred.

Bedford Reports \$15,000 Robbery

BEDFORD, Ind., Aug. 15.—(UP)—Police today searched for clues to the identity of robbers who broke into a Wheeler-Fouth Co. wholesale warehouse yesterday and stole some \$15,000 worth of cigarettes and other merchandise and a truck.

The burglary was not discovered for more than 12 hours. The truck in which the stolen goods were taken away was found just outside Indianapolis by Marion county deputy sheriffs.

Officials of the company said 131 cases of cigarettes were missing in addition to \$1,500 worth of groceries loaded in the truck for Monday delivery. They said the warehouse office was burglarized also and a German pistol was stolen.

But they said the thieves missed \$4,000 in cash which was hidden in the office.

TRUCK STOLEN

State police reported Monday that a truck, belonging to C. O. Howard of Franklin township, had been stolen some time after midnight. The missing vehicle is a 1940 GMC 1-2 ton truck.

German Voters Swing To Right

FRANKFURT, GERMANY Aug. 15.—(UP)—Some 25,000, 000 West German voters have selected a right-wing government to guide their first Democratic regime since Hitler came to power in 1933. Official tabulations of Sunday's parliamentary elections showed today.

The voters, representing 78.5 percent of the electorate, dealt a stunning blow to West German Communists, not a single Communist candidate was elected and they were forced to rely on a partial proportional representation system to salvage 15 seats.

The voters picked 256 rightist candidates from among the 402 deputies elected to the lower house (Bundestag) of the new federal parliament.

The conservative Christian Democrats rolled up a 400,000 vote margin over the second place socialists, with the rightist-free Democrats running third. Communists ran a poor fourth in popular votes.

The new government probably will be a right-wing coalition of the Christian Democrats, Free Democrats and other rightist parties.

Konrad Adenauer, Christian Democrat party leader, was a virtual certainty to be chancellor of the new government. Theodore Heuss, head of the free Democratic party, probably will be president.

Six Killed In Traffic Mishaps

By United Press

Death eased its activity on Hoosier highways Sunday after claiming at least five victims the day before.

Indiana state police records showed only one traffic fatality for the 24-hour period ending the week-end.

The victim was Kenneth Bryant, 24, Ligonia, who was killed last night near Kendallville when an automobile left U. S. 6 and hit a utility pole. Bryant's companion, John Moore, 23, Albion, was in critical condition in a Kendallville hospital with fractures of both legs, his skull and his jaw.

The Saturday victims included three Cleveland, D., persons killed near Belleville when their car left U. S. 40 and hit an abutment while trying to pass a truck. The victims were Charles Anderson, 50; his wife, Clara, 54, and their granddaughter, Sylvia Ann Foster, 7.

Others were Margie Ann Wright, 19, Indianapolis, killed when an automobile hit two fence posts and a tree near Indianapolis, and Carl Richard (Continued on Page Two)

51 RESCUED IN CRASH OF OCEAN PLANE

SHANNON, Ireland, Aug. 15.—(UP)—A British trawler reported today that American Aviatix Ruth Nichols was among those rescued from a Transocean airliner which crashed in the Atlantic.

SHANNON, IRELAND, Aug. 15.—(UP)—Radio reports reaching Shannon airport, said today that 51 survivors had been rescued from the Atlantic Ocean crash of a Transocean DC-4 carrying 49 passengers and an American crew of nine.

Famed American flier Ruth Nichols was the stewardess on the plane. It was not known whether she was among those rescued.

(In London the Evening Star reported that 53 survivors had been picked up.

(In Hartford, Conn., headquarters of Transocean Airlines said after a telephone report from Shannon that 52 persons had been rescued.)

The airliner, chartered to the United Nations International "refugee organization, carried 19 Italian immigrants en route to Venezuela for resettlement.

It took off from Rome and was slated to stop at Shannon before proceeding to Caracas via the United States. Airline officials at Shannon said there was no information on the fate of the persons still missing.

Forty-nine survivors were picked up by the British Trawler: Stobeg, which proceeded to Galway, Western Ireland.

(The London Evening Star said some of the passengers already had been taken to Galway Central Hospital after being landed at Kilronan on the Island of Aran and then transferred to Galway.)

More than four hours after the crash, the plane was reported still afloat.

The plane crashed shortly before dawn today. Officials at Shannon Airport said the pilot radioed he had apparently overshot the field and "would be forced to ditch" because he was running low on gas.

A Transworld Airlines plane was reported to have picked up the distress signal and hovered over the crash scene to guide rescuers with flares.

A TWA official reported that Capt. Charles Adams and left Shannon Airport shortly after 2 A. M. GMT when he picked up the distress signals.

TO STAY IN INDIANA

BLOOMINGTON, Ind., Aug. 15.—(UP)—Dr. Herman B. Wells, president of Indiana University, today turned down an army appointment to an educational mission to Japan.

Wells first accepted the appointment tentatively but changed his mind because, he said, he would be too busy filling engagements in Indiana.

BALTZELL MAY CONTINUE AS FEDERAL JUDGE

U. S. JURIST IS REPUBLICAN AND MAY NOT STEP DOWN

INDIANAPOLIS, Aug. 15.—(INS)—Judge Robert C. Baltzell announced today he will retire as Judge of the U. S. Court for the Southern Indiana district.

INDIANAPOLIS, Aug. 15.—(INS)—Speculation hummed in Hoosier political circles today over the possibility that Federal Judge Robert C. Baltzell might not retire from the Southern District bench.

Judge Baltzell observed his 70th birthday today and became eligible to retire.

Democratic politicians have been all steamed up for some time over the possibility of naming a successor to the Indianapolis judgeship when and if Judge Baltzell retires.

In Washington last week Democratic National Committee-man Frank McHale said he did not discuss the situation while talking with President Truman, but he did say when the post became vacant he would strive for a "political appointment."

Judge Baltzell is a Republican and the possibility arises that he may decide to retain the Indianapolis bench in hopes that the nation elects a G. O. P. president and Congress in 1952.

Asked if he would retire soon, Judge Baltzell replied: "I do not have anything to say."

Meanwhile it was reported in Washington that seven Indiana Democratic congressmen were lining up behind a colleague, Rep. Winfield K. Denton, of Evansville. Congressman Denton was not in Washington at the time, having returned to his home because of the serious illness of his stepfather, Dr. William Davidson.

McHale, however, has indicated he favors the appointment of William Stockler, Indianapolis, for the district judgeship. Stockler has made quite a name for himself as Public Counselor of the Public Service Commission, and is a young man, under 40 years old. President Truman has indicated that he prefers to name a judge not over 40 to the Indianapolis bench.

Leading the Denton movement is Rep. John R. Walsh, of Anderson. Previously Walsh had backed Stockler for the judgeship but after McHale endorsed former State Supreme Court Judge H. Nathan Swaim for the newly created seat on the U. S. Court of Appeals in Chicago, he raised the point of giving Marion county men two judicial appointments.

McHale said he thinks Denton is needed to hold the Eighth district congressional seat for the Democrats.

If McHale cannot get Stockler nominated for the district bench he is reported backing former Mayor Clarence J. Donovan of Bedford.

Czech Catholics Defy Red Ban

TRNAVA, - CZECHOSLOVAKIA, Aug. 15.—(UP)—The white and gold Vatican flag fluttered from all churches in this town today to mark the installation of two new Roman Catholic Bishops in defiance of the Czech Communist government.

More than 100 priests and approximately 12,000 Catholic men and women ignored government regulations against such gatherings to attend the consecration ceremonies yesterday.

At the same time the government-sponsored "church pilgrimage" to domazlice, Southern Bohemia, drew only about 2,000 persons despite special excursions and advance publicity.

The government tried to coerce the Catholics by stopping everyone who entered Trnava. Trains were halted 12 hours before the ceremonies. Police road blocks were set up on every highway into town.

EXTRA!

WASHINGTON, Aug. 15.—(INS)—Congressional leaders told President Truman today that they have abandoned hope of adjourning Congress by Labor Day, Sept. 5.

Senate majority leader Lucas D. III, said after a conference with Mr. Truman that the Senate will require at least three weeks to dispose of legislation already on its schedule and that other important matters then must be handled, he added.

"I would make no prediction now as to the date of adjournment."

Meanwhile, the Senate Finance Committee made the first move toward chocking off legislation blocking adjournment.

Finance Committee Chairman George D. Georgia, declared that action at this session on Social Security law revision is now "out of the question."

The Finance Committee will not hold open hearings on any other "contested matters" after it takes up pending veterans bills later this week.

Lucas again warned the Senate that it faces a night session tomorrow if necessary to dispose of government reorganization plan No. 1.

WASHINGTON, Aug. 15.—(INS)—The House Foreign Affairs Committee approved today the full \$1,160,000,000 asked by the administration for arms-aid to Europe but split the amount almost equally into cash and contract authority.

The committee, racing to complete work on the administration's \$1,450,000,000 "arms for friends" bill by nightfall also:

Rejected a proposal by Rep. Lodge, R., Conn., to provide \$200 millions in aid to China.

Adopted an amendment favoring the creation of a Pacific Pact for the "free peoples" of the Far East.

CHICAGO, Aug. 15.—(INS)—The five-day-old strike of gasoline truck drivers threatened today to exhaust supplies of 4,000 Chicago area filling stations by midnight.

The threat came as the death of Federal Labor Conciliator Howard Plank, 51, of a heart attack early today, forced a postponement of a third attempt to settle the dispute.

U. S. Labor Department officials announced that a new conciliator would be named as soon as possible and negotiations resumed.

INDIANAPOLIS, Aug. 15.—(INS)—Governor Henry F. Schricker today reappointed Dr. Robert A. Staff as superintendent of the Indiana State sanatorium at Rockville, for a four year term.

WASHINGTON, Aug. 15.—(INS)—An army officer told senate "five percent" investigators today that "White House pressure" was exerted in behalf of a client represented by James V. Hunt, Washington manufacturers agent.

The Senate Investigating Committee probed into the Chemical Corps contract sought by the Deering-Millikin research trust, of Greenvich, Conn., which hired Hunt for \$800 a month plus expenses and a bonus.

ST. LOUIS, Aug. 15.—(UP)—Vice-President Alben W. Barkley left his pretty lady friend behind when he returned to his Washington duties today but it appeared he might have another date with her Thursday.

The 71-year-old "veep" is giving the rush to Mrs. Carleton S. Hadley, attractive 37-year-old St. Louis widow.

Although everyone from St. Louis to Washington was pretty certain that romance existed between them, the couple maintained a dignified silence during a weekend date when Mrs. Hadley helped Barkley dedicate an airport in his hometown at Paducah, Ky.

SITUATION STILL TENSE

HONOLULU, T. H., Aug. 15.—

(UP)—Government-hired longshoremen will report for work this morning to unload seven vessels tied up by the 105-day strike of the CIO International Longshoremen and Warehousemen's Union, unofficial reports said today.

Ben. F. Rush, chairman of the harbor board and manager of government stevedoring operations, refused to confirm that unloading operations would start this morning as reported.

However, Rush advised newsmen to be in his office at that time "in case anything happens."

Crew members of the Matson Line freighter Hawaiian Merchant, which was moved from Pier 7 to Pier 9 last week to facilitate unloading, also were called to a morning meeting.

The Marine Engineers Beneficial Association, the union for engine room officers, warned last week that its members would quit any ships which were unloaded by government stevedores while the ILWU strike lasted.

Informed sources said Attorney General Walter D. Ackerman would be present at the crew members' meeting to explain the legal position of the marine engineers.

The first government move to unload the strikebound ships is expected to result in a court suit by the ILWU. The union has announced it will challenge constitutionality of the new territorial strike law as soon as the government starts to work ships.

MISS DOROTHY COWGILL BRIDE OF
WILLIAM HENRY CONGER ON SUNDAY

Miss Dorothy Bernyce Cowgill, daughter of Mr. and Mrs. Louis B. Cowgill, 707 South Indiana street and William Henry Conger, son of Mr. and Mrs. Ray Edwin Conger of Plymouth, Indiana, were united in marriage Sunday afternoon at 3:30 o'clock in a beautiful double ring ceremony read by the Rev. Ralph Saunders in the Presbyterian church.

The bride, wearing a dress of embroidered organdy, trimmed with lace, a two tiered skirt, white lace mitts, carrying white roses and trailing ivy on a white Bible, was given in marriage by her father, Miss Nancy Collier, wearing light green organdy and carrying a colonial bouquet was maid of honor. They were met at the altar by the bridegroom and best man, Richard Bietts, sheels following a program of wedding music by Miss Virginia Arnold organist and Miss Ann Sheridan who sang "Through the Years," and "I Love Thee."

New Hearing Device Has No Receiver Button in Ear

Chicago, Ill. — Deafened people are hailing a new device that gives them clear hearing without making them wear a receiver button in the ear. They now enjoy songs, sermons, friendly companionship and business success with no self-conscious feeling that people are looking at any button hanging on their ear. With the new invisible Phantom-mold, you may free yourself not only from deafness, but from even the appearance of deafness. The makers of Beltone, Dept. 40, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement they will gladly send you their free brochure (in plain wrapper) and explain how you can test this amazing invisible device in the privacy of your own home without risking a penny. RADIO IS A WONDERFUL THING BUT THERE'S TOO MANY PEOPLE ON THE WRONG END.

We want to thank everyone for the interest shown at County Fair.

THE WEESNER IMPLEMENT COMPANY has a new service for farmers... and you are on the wrong end of it... failing to take advantage of it. Bring that tractor to our shop for steam cleaning, painting and repairs. We have mechanics who know what to do and the genuine parts which to do a faultless job.

Loaded for bear or ducks

or deer...here's the world's most useful car!

The big, beautiful **Kaiser Traveler** 2-cars-in-one...only \$2088*

Here's a sporting proposition: get "two cars" for the price of one... and get set for a wonderful time!

First, open the hold... 10 steel-shod feet of space to hold all your gear, your supplies, yes even your boat. You're loaded for fun... so get going!

Get behind that powerhouse Thunderhead engine, with its gas-saving, hill-taking 7.3-to-1 compression ratio. Start out, and count on the Traveler's extra long 123 1/2" wheelbase to count off the miles without 'short car fatigue'.

Now for a quick change. Down goes the hatch, up comes the tail-gate, back goes the seat. In 10 seconds... without using tools or bolts... you've got your second car... second to none for luxury. Its 10' seats are six-people wide. It's loaded for pleasure, for performance, for power, for prestige. So why don't you sport a Kaiser Traveler!

* Factory delivered and equipped. Federal tax paid. Transportation, local taxes (if any) additional.

Ask your neighborly Kaiser-Frazer dealer for a demonstration!
